We are on a mission

Creating a digital generation in East Africa.

OUR PROGRAMS

GIRLS STARTUPS

Our programs

Coding clubs

We conduct weekly coding sessions to girls in secondary schools across Tanzania to help them develop their own projects and succeed in their careers.

[READ MORE >](#)

Tech & innovation Events

We organize events such as workshops, exhibitions, hackathons, Code Camps, boot camps and the Girls Summit to ignite girls' interests in technology.

Jovia Program

Advanced IT and Online incubation program for underprivileged girls and young women to secure employment or create their own tech-based enterprises in the ICT sector.
